Welcome to your NEW Extended GP Service

We would like all patients in our community to be able to see a local GP or Nurse when they need to. We have set up a network of GP Practices across the region offering extended opening hours for pre-bookable and same day routine extended access appointments. The GP extended opening hours service operates between:

- **9.00am-1.00pm on Saturdays & 10am-1pm on Sundays*** at *Stafford Health & Wellbeing*
- **6.00pm-8.00pm Monday to Friday & Sunday 9am-1pm** for patients willing to travel to GP Practices located within *Shrewsbury & Atcham, Telford & Wrekin and South Shropshire*.

You will be informed of which Surgery has available times when you call for an appointment.

This allows patients to be seen at a convenient time and location, depending on availability.
